

# The Humbling of **KING LEO:** A Tale of Pride and Hyenas

Once upon a time, in  
the vast African  
savanna, there lived a  
mighty lion named  
Leo.

**He was the king of the  
jungle, feared and  
respected by all the  
animals.**

Leo would often take pride in his strength and power and brag about it to other animals. He believed that no one could defeat him and he was invincible.

The other animals of  
the jungle were tired  
of Leo's arrogant  
behavior and how he  
would always talk  
about his strength.

One day, a wise old owl  
came to Leo and said,  
"Leo, boasting about  
your strength and  
powers will not make  
you greater, it only  
makes you seem  
smaller."

This made Leo furious.  
He roared and said, "I  
am the king of the  
jungle and no one can  
tell me what to do!"  
The old owl sighed and  
flew away, knowing  
that Leo's pride and  
arrogance would be  
his downfall.

A few days later, a  
pack of hyenas  
trespassed into the  
jungle and started  
creating chaos.

The other animals  
were scared and didn't  
know what to do. Leo,  
being the king,  
assured them that he  
would handle the  
hyenas and protect the  
jungle.

He marched towards them with confidence, but to his surprise, the hyenas were faster and stronger than him. They attacked him and injured him badly.

Leo managed to escape and came back to his den battered and bruised. The other animals were shocked to see their once mighty king in such a state.

The old owl came to visit Leo and said, "Pride goes before a fall, Leo. You may be strong, but sometimes even the mightiest of kings need help."

Realizing his mistake,  
Leo apologized to the  
other animals for his  
arrogance and asked  
for their help in  
defeating the hyenas.

Together, they came up  
with a plan and  
successfully chased the  
hyenas away.

After this incident, Leo learned an important lesson. He understood that pride and arrogance can lead to one's downfall and that it's always better to seek help rather than trying to do everything alone.

From that day on, Leo  
became a humble and  
kind king, respected by  
all the animals in the  
jungle.

# "Moral of the Story"

**Moral of the Story**

Pride and arrogance  
can be one's downfall.

It is important to be  
humble and seek help  
when needed, rather  
than trying to do  
everything alone.

A small, colorful character with a large afro hairstyle stands in the middle ground, looking towards the horizon. The sun is low on the horizon, casting a golden glow over the landscape.
